Dear sport friends,

**15 years** might not be as much in a person's life as in the history of **FRAGARIA CUP**. During 15 years was the tournament attended by several generations of footballers. From the small boys, who had started on FRAGARIA CUP as 8 years old kids, grew up young footballers, who are today reinforcements for several football clubs across the Europe.

Next year of FRAGARIA CUP will be marked by the spirit of the European Championship in Football 2016. Many of the participating countries will also be represented at our tournament and who knows, maybe in the future we will see in the national colors of each country boys, who had gained their first international experience on FRAGARIA CUP playgrounds.

For us – organizers, this year of tournament is even more precious as we are regularly meeting some of you for 15 years on our football pitches, but also at various social and leisure activities.

Therefore, accept our warmest invitation to the **jubilee 15th FRAGARIA CUP** and celebrate with us this precious jubilee.

FRAGARIA CUP - it is an international event that brings us together through football. Get involved with your team in the football events and take home the most positive experience, excellence and new friends from our tournament. That's what FRAGARIA CUP 2016 will be about!!!

Artúr Benes – Chairman of the Organising Committee
